WELCOME TO STORYLAND, OUR MAGICAL ADVENTURE!

20th March, 2026 was the most fun English Day of the year! Our school transformed into a living library for our English Day, Cool Kids in Storyland. This year, we changed into our favourite book characters to show everyone that reading is a seriously COOL hobby. We loved dressing up as famous book characters to share our favorite stories with all our friends!

2025-2026 English Day

COOL KIDS IN StoryLand

Cool Kids Love to Read!

The Book Characters Show and Tell

We didn't just wear costumes; we became the characters! We had a massive runway show where we did a catwalk and performed a **Show and Tell** to introduce our characters and storybooks. The energy was electric! We saw **Harry Potter** waving his wand, a very curious **Alice** looking for Wonderland, and even the **Monkey King** showed off some legendary moves. It was so cool to see our friends turn into the characters we only see in books. The audience cheered so loud—Everyone was excited to see who would step out onto the stage next!

Don't get eaten by the wolf, Little Red! Our hero is coming to you!

Flying in from the East—it's the Monkey King!

Ten points to Gryffindor! Harry Potter and his friends bring some serious magic to the stage.

We are glad to participate in the book characters show and tell!

Booth Hopping through Bookland

Everyone loved the game booths. Each booth was themed around the stories that we love, including *Dog Man*, *Harry Potter*, *Charlie and the Chocolate Factory*, and *The Gruffalo*.

It wasn't just fun and games, though. We actually used and practised the English we learnt in class to solve puzzles! Our favorite booth was **Kei Hin Bookland**. It was a cozy corner where we could choose and read new books. Everyone was so eager to grab a book and start reading!

Miss Betty? Oh, she is now the hungry caterpillar.

Pick the right rhyming words to cast the powerful spell!

Should I pick something useful for Little Red Riding Hood's grandma?

I'll take a burger, please! Learning English can be quite yummy!

We Didn't Just Watch a Show—We Starred in One!

We can even do tricks in the show. Can you believe that?

The highlight for many of us was the drama performances. We watched three classic stories: *Beauty and the Beast*, *Pinocchio*, and *The Three Little Pigs*. They were so fun to watch as some of our classmates were picked out from the audience and got to perform on stage! Seeing our classmates up there with the professional actors was hilarious and captivating. It felt like the stories and characters came to life!

Mirror, mirror on the wall... this interactive drama is the best of all!

I'm part of the show!

Tech-Tastic Quizzes: Plickers & Kahoot!

We ended our English Day with some exciting competitions! First, some brave students stood on stage and read aloud a story for everyone in the hall. Then, it was game time! We were given iPads and had a massive Kahoot! contest to see who remembered the most details. We also used Plickers cards to vote on the morals of the stories. It was so exciting seeing the leaderboard change every second! Playing in teams was not only exciting but because doing it all by yourself is just not as fun!

I vote for option A! (Wait, which way do I hold this again?)

The winners are: 6C, 6B, 5C, 5D

Here are our winners!

Moral of the story...I think I will pick Answer D!
